Registered under the societies registration at XXI of 1860  
Registration No. S/1649/SDM/NW/2013 Date: 08/12/2017

Date : 29-01-2018

Applications were invited for travel and registration fee grants to attend 4<sup>th</sup> International Conference on Harmony search, Soft computing and Applications (ICHSA 2018) to be held at BML Munjal University, Gurugram, Haryana, India. In total, 15 applications were received for travel grants /registration fee support. Based on merit of the paper submitted and available funds, Soft Computing Research Society has decided to support as follows. The awardees are being informed separately.

S. No.	Name of the Applicant	ICHSA 2018 Paper	Grants Approved
1	Naresh Kumar	Key Frames and Shot Boundaries: The Attributes of Scene Segmentation and Classification	Registration Fee (Rs. 2500)
2	PANDIRI VENKATESH	A multi start iterated local search algorithm with variable degree of perturbation for the covering salesman problem	Registration Fee (Rs. 2500)
3	Anubhav Namdeo	Replenishment Policy for Deteriorating Items Under Price Discount	Travel Grant (Max. Rs. 3000, based on producing actual expenses)
4	HIMANSHU SINGH	A Sine-Cosine Optimizer based Gamma Corrected Adaptive Fractional Differential Masking for Satellite Image Enhancement	Registration Fee (Rs. 2500)
5	Om Ji Shukla	An Agent Based Simulation Modeling Approach for Dynamic Job-shop Manufacturing System	Travel Grant (Max. Rs. 3000, based on producing actual expenses)
6	Deepti Bala Mishra	Test case prioritization and optimization based on multi-objective genetic algorithm	Travel Grant (Max. Rs. 3000, based on producing actual expenses)
